

EU DECLARATION OF CONFORMITY

No.: EUDOC-LX18650-2602

1. Identified Product

Model: LX18650 2200mAh
Type: Portable Rechargeable Lithium-ion Battery
Spec: 3.7 V, 2200mAh, 8.14Wh, Li-ion cylindrical cell

2. Manufacturer

DONGGUAN LIXING BATTERY CO., LTD.
Room 701, Building 7, No.15, Lianfeng 1st Cross Road, Datang, Dongguan City, Guangdong
Province
Website: www.dglxdc.com
ZIP Code: 523000

3. Statement of Conformity

We declare under our sole responsibility that the above-mentioned battery complies with all applicable EU harmonised legislation:

- Regulation (EU) 2023/1542 (Battery Regulation)
- REACH Regulation (EC) No 1907/2006
- RoHS Directive 2011/65/EU amended by (EU) 2015/863
- UN 38.3 Transport Safety Standard
- IEC 62133-2 Secondary lithium cells safety standard

4. Marking Confirmation

CE marking and crossed-out wheeled bin waste collection symbol are affixed to the battery/package as required by Annex VI of Regulation (EU) 2023/1542. The digital battery passport QR code links to full product information as Article 13 mandated.

5. Signatory

Name: CAI LI MING

Title: Authorized Manager

Signature: Cai Liming
